File Submission Requirements

Ads submitted must meet the publisher's production guidelines.

PREFERRED AD SUBMISSION METHOD: Press quality PDF is the preferred method of ad submission for this magazine. If you're not sure how to make a press quality PDF, please go to www.villagepress.com/support and download our PDF job options.

OTHER SUBMISSION METHODS: We accept composite JPG, TIF, or EPS files in CMYK or Grayscale color modes. Images should have an effective resolution of 300 dpi. Files containing RGB or spot colors will be converted to CMYK which may cause an undesired shift in color appearance.

SUBMIT YOUR AD: Our email will accept files up to 25 MB. To submit files larger than 25 MB, please use OneDrive, Dropbox or WeTransfer file transfer methods.

DIMENSIONS: All ads must be configured to fit the ad sizes as indicated on the rate card. Be sure to create documents in the proper trim size. For full-page ads intended to bleed, please include .125" bleed on all sides and do not have text outside the 7.875" x 10.375" live area.

There is no need to add registration marks.

BLACK-AND-WHITE ADS: All black-and-white ads must be set up to output as one-color art and text. This will prevent any unanticipated screen tints from appearing in final image.

PREPARATION: If the publisher's production department considers a digital ad to be incorrectly set up by the advertiser, the advertiser may correct and re-submit the ad – or – the advertiser may request the publisher to alter the ad to meet specifications at an additional charge to be quoted.

FONTS AND IMAGES IN PRINT-READY ADS: If you are submitting a print-ready ad according to specs elsewhere in these ad submission guidelines, please note that your submission of the ad is a statement on your behalf that you have obtained all necessary permissions and appropriate licensing, including third-party licensing, of fonts and images contained in your advertisement, and that VPDCS and MARVAC have the appropriate permission to print the advertisement with the included fonts and images; and further, that VPDCS and MARVAC assumes no liability and are held harmless in the event a dispute arises regarding the use and printing of fonts and images.

Advertising Agreement & Cancellation Policy

Advertising agreements are only valid with a signed and returned contract by the space due date. The signed agreement will lock you into specific pricing based on the ad size(s) outlined on your contract. No ad cancellations are accepted past the respective issue's space close date. All ads are subject to be picked up from a previous issue if we do not hear back from you by the material's due date. If we do not receive ad design from you by the material's due date, and no cancellation was submitted, you will still be billed for the space you have scheduled on this agreement. The issue dates for space close and materials are listed on this rate card. A 25% pre-payment is due at the time of any advertising contract for new advertisers or existing advertisers that were previously delinquent on their invoice payments, with the remaining 75% being invoiced after the issue has gone to print for the directory, or your online ad has run its scheduled timeframe. Online ads under the discounted full year pricing must be paid in full prior to the ad being run. Invoicing is net 30. Delinquent invoices over 60 days will be subject to an additional 10% fee for every 30 days it remains unpaid. A valid contract from last term gives you the right of first refusal when time to renew your advertising in the following issue.
